RESPONSE TO NOTICE TO FILE CORRECTED APPLICATION PAPERS

COMMISSIONER FOR PATENTS
P.O. BOX 1450

Sir:

The Notice to File Corrected Application Papers dated December 21, 2005 stated that the application is incomplete because the sole inventor's signature is missing from the oath/declaration/ADS. The Notice also required applicant to fax missing information.

Applicant thus resubmits a copy of the original Declaration and Power of Attorney and the receipt postcard therefore. Applicant notes that the original Declaration and Power of Attorney was indeed signed by the inventor. It appears from an inspection of PAIR that the original declaration was simply missing from the Patent Office file.

Respectfully submitted,

Robert M. Bauer, Esq., Reg. No. 34,487
